

English home learning 20/07/20 - Year Two

This week, we only have three sessions as it is almost the Summer Holidays! We are so incredibly proud of how hard you have worked this year. Miss Smart and Miss Bolton feel so lucky to have had such wonderful children in our classes. We miss you a huge amount. We hope you enjoy these lessons. We can't wait to see your amazing work so please do remember to upload it!

This week, you are going to be creating your own version of a 'time capsule' to remember your time in Year Two and the Year 2020. You may want to keep your work from this week in a shoebox, in a safe place. You could even roll up your paper, slot it into a plastic bottle and bury it in the garden! Have a think, be creative! Your adults may like to keep your work in a special album or drawer.

Lesson 1 –

It is so important that we remember all the amazing times we had in Year Two and the moments we had as classes.

We have been so incredibly busy. This was the year that Year Two raised a huge amount of money for charity! You became campaigners writing letters and encouraged lots of raffle donations to help the school. You all worked extremely hard and found a new love for "quizzes" in school! Can you remember World Book Day? What did you dress as? Remember when we had Beegu the alien visit our classrooms!? Tim Peake became your best friend! We created rockets, moving pictures and did a huge amount of art

work. We rehearsed and performed an amazing nativity! The list is endless. What else can you remember?

Can you write a bullet pointed list of all the things you have enjoyed in Year Two?

Lesson 2-

Today, you are going to be writing a letter to an older version of yourself. We are so proud of you and all you have achieved this year despite the pandemic so it is important that you remember how hard you have worked, and what superstars you are.

Think about the list you generated yesterday. What are your favourite moments about Year Two? What are your best memories? We have been so busy! Use the attached template to write your letter!

Lesson 3-

Your teachers miss you a huge amount. We would love to hear from you before the Summer Holidays. In this lesson, we would love you to write us a letter, telling us what you plan to do in the Summer Holidays. Remember, we aren't saying 'goodbye' we are saying 'see you soon'! We can't wait to see you again after the holidays!
