

Week 2 (30.3.20) - Home Learning

Dear Year Two,

We hope you are all well and enjoying the sunshine!

We are missing you terribly but it was lovely to call and speak to you all on Wednesday. We are already counting down the days until we can speak to you next week. It truly brightened our days to hear how wonderful you are being at home and how much you are enjoying the home learning we are setting. Keep up the amazing work!

This week,

In **maths**, for each fractions activity sheet, there is a mini- lesson for you to watch before you start and then the answer sheet for you to check your answers afterwards at the following website: <https://whiterosemaths.com/homelearning/year-1/>

For **English**, for this week, you will be creating an information booklet all about Windsor Castle. We would love for you to take pictures of you with your leaflets for us to have a look at what you've been able to achieve.

For **Spelling and Reading**, please continue to practice your common exception words, spelling shed and regular reading of your school books. Additionally, you now have a Read Theory login, which we would love to see you using!

Maths

Lesson 1

Lesson 2

Lesson 3

Lesson 4

Lesson 5

English

Lesson 1 - Research about Windsor Castle

Lesson 2 - List of information about Windsor Castle

Lesson 3 - Planning time for a Windsor Castle information leaflet

Lesson 4 - Create your information leaflet

Lesson 5 - Editing (spelling, capital letters, full stops, does it make sense? Can you add more detail?)

Spelling, Punctuation and Grammar

Lesson 1 - Short vowel sound 'o'

Lesson 2 - Spelling shed to practise new sound

Lesson 3 - putting your new spellings into sentences

Lesson 4 - what are commas in a list? Why do we use them?

Lesson 5 - Continue practicing commas in a list.

History

Lesson 1 - Research about Queen Elizabeth I

Lesson 2 - Research about Queen Victoria

Lesson 3 - Identify similarities and differences

Lesson 4 - Self-selection of writing choice.

Lesson 5 - "If I was a Monarch, what would I be like?" (With a little bit of craft too!)

This is simply guidance for you at home, you do not have to follow this. For example, you might do one day with two lessons of maths or English. This is completely your choice. One thing that we know you will love, is Joe Wick's PE Lesson for the nation on his YouTube channel at 9am every morning whilst schools are closed. (Miss Bolton will be doing this every day too!)

Please remember that you have access to lots of online resources, like:

Phonics Play, Teach Your Monster to Read, Spelling Shed, Numbots, Read Theory and many more!

We miss you all terribly, and can't wait to be together again!

Keep safe and we will see soon,

Many thanks,

The Year 2 team
