

Summer 2 - Week 1 - Home Learning

Dear Year 3 children,

Welcome back after the half-term break! We hope you are well rested and have managed to enjoy the glorious weather we have been experiencing.

We are very much looking forward to seeing your work and what you have been up to this week. Please do remember to share with us and upload photos of your work and activities, if you are able. 😊

Maths:

Please practise your times tables at least three times a week by logging on to:

<https://play.ttrockstars.com/auth/school>

Log on to White Rose Maths: <https://whiterosemaths.com/homelearning/year-4/>

Watch the video before completing the worksheet. (Check how well you did using the answer sheet.)

Session1- *tenths as decimals*

Session2- *fractions on a number line*

Session3- *fractions of a set of objects*

Session4- *fractions of a set of objects*

Session5- *Arithmetic Test* (Don't rush and remember to show your working out. If you can't print the test, complete it in your notebook or on a piece of paper. Once finished, you can check your answers which are on the last page of each test.)

Please note: This week's maths sessions are a recap of fractions work that you completed before the Easter break. If you feel you need extra practise on this area of fractions then please watch the daily videos and complete the worksheets. However, if you feel very confident in this subject, there are alternative worksheets to be completed. Please complete both the standard sessions and the alternative ones, we would much rather you be confident in understanding fractions and complete the standard sessions for extra practise.

Remember you can get some more help on each day's topic by going to: <https://www.bbc.co.uk/bitesize/>

Spellings:

Please practise your spellings at least three times a week by logging on to:

<https://www.spellingshed.com/en-gb>

First session - *Test (ask a Parent/Carer to read your word, putting it in a sentence, and reading it once more e.g. 'piece, the child ate a piece of fruit at break time, the word is piece.')*

Second and third sessions - *please complete a spelling activity.*

English:

As part of our new project on Water, we would like you to write descriptively about the journey of a water droplet.

We would love to see and read about your water droplet's journey at the end of the week. If you are able to take a photo or upload it to Google Classrooms, that would be great!

SESSION 1 – *What is water?*

SESSION 2 – *Water Cycle word bank*

SESSION 3 – *Your water droplet's journey*

SESSION 4 – *Using your senses*

SESSION 5 – *Final draft*

Miss McGowan's English group

If you are in Miss McGowan's English group, she has written you a letter detailing your English and reading work and has set you tasks to complete throughout the week. Please open the folder and you will find everything you need there.

Mrs Goodyear's phonics and/or handwriting groups

If you are in Mrs. Goodyear's handwriting group, she has set you a task to complete for practising your handwriting.

Reading

We have set three Reading sessions to be completed in the week.

This week, you will be reading information about the water cycle and will have an activity to complete in each session based on what you've read.

Wider Curriculum Activities (Topic):

In topic this term we have been learning all about water. This week's topic will be **Science** based. We would like you to learn all about the water cycle!

SESSION 1 – *Explore the 4 main stages of the water cycle*

SESSION 2 – *Water cycle experiment*

SESSION 3 – *Create a comic strip about the journey of a water droplet going through the water cycle*

SESSION 4 – *Draw and label the water cycle*

SESSION 5 – *Write down instructions from the water cycle experiment (session 2) and explain what happened*

Other recommendations:

We recommend that you keep some routine to your day as this will help you when you return to school.

As part of your routine/timetable, please try to include regular exercise. Why not try Miss. McGowan's Personal P.E. Challenges? You will find them under 'Exercise Programmes' on your Google Classroom.

Please do let us know how you get on – we would love to know! Have a great week!

Best Wishes from

Mrs. Binnie, Miss. Bannister, Miss. McGowan, Mrs. Goodyear and Mrs. Collett 😊
The Year 3 Team
