

Summer 2 Week 6 - Home Learning

To my English group,

I hope you had a productive week last week. I am missing our lessons together and am thinking of you. I enjoyed seeing some of the work you are completing and how well you were doing it! I am looking forward to seeing some more of your work in your books when you get back and to hear about all the stories you have read.

Below you will find an explanation of the learning I have set you for this week. All this learning can be completed in the notebook you took home from school or one you have at home. This is a good chance to practise your handwriting! Also, you can edit it on the computer and save the changes. This way you don't need to print anything off and can still share your learning with me by uploading the edited document or a photo of the work to Google Classroom.

English

Session 1- Spellings- Complete the word search, looking for common exception words. Once you have done this, try writing sentences using the words without looking at how to spell the word.

Session 2- Make a sentence- Choose a slide with lots of interesting words and have a go at writing amazing sentences. How can you improve your sentences?

Session 3- Look through the PowerPoint on how to use apostrophes to show possession.

Session 4- Have a go at the activities on using apostrophes to show possession. You can always look back on yesterday's PowerPoint to remind you. Below is a link to a video and activities you can also have a go at.

<https://www.bbc.co.uk/bitesize/topics/zvwwxnb/articles/zx9ydxs>

Session 5- Free write- Use the story starter to write your own piece on the picture. Make sure you include the targets that have been sent to you. I would love to see what you have written so please upload it to Google Classroom.

Phonics

Mrs Goodyear would like you to keep working hard on your phonics too. Below is a link to Ruth Miskin Training where they will be doing live video lessons each day at

10.30 (set 3 speed sounds). If you are unable to watch it live, the videos are available for 24 hours after.

Reading

Session 1- Predict what might happen based on what you have read- Have a go at The Camping Trip and What is Plastic Pollution questions using Predicting Pip's tips to help you.

Session 2- I am looking forward to hearing about all the books you have read while we have not been at school. Therefore, I would like you to use this session to read a book of your choice. Make a comfy area to sit and maybe read to a family member or a teddy bear/toy of your choice. You can always tell me on Google Classroom what book you have chosen and what your favourite part of the story is.

Reminder about other useful websites:

Please remember to keep going on to the websites we have for you including Teach Your Monsters to Read, Karate Cats and a new one, Small Town Superheroes.

If you need any help at all you can contact me through Google Classroom on the PE account or comment on the work. I can't wait to see all the excellent work you have done. Keep safe and we will see you soon.

Lots of love

Miss McGowan
