

Summer 2 Week 7 - Home Learning

To my English group,

I hope you had a productive week last week. I am missing our lessons together and am thinking of you. I enjoyed seeing some of the work you are completing and how well you were doing it! I am looking forward to seeing some more of your work in your books when you get back and to hear about all the stories you have read.

Below you will find an explanation of the learning I have set you for this week. All this learning can be completed in the notebook you took home from school or one you have at home. This is a good chance to practise your handwriting! Also, you can edit it on the computer and save the changes. This way you don't need to print anything off and can still share your learning with me by uploading the edited document or a photo of the work to Google Classroom.

English

Session 1- Spellings- Complete the word search, looking for common exception words. Once you have done this, try writing sentences using the words without looking at how to spell the word.

Session 2- Watch the video on the link below and have a go at the activities on identifying errors in your writing.

<https://www.bbc.co.uk/bitesize/articles/z799ydm>

Session 3- Choose a writing template that you would like to write a story about. Then answer the questions to help plan your story. Think about the characters, the setting and what is going to happen in the story.

Session 4- Have a go at writing your story that you planned yesterday. Have a look at the targets below. Try and include as many of these as possible.

Targets:

- Use capital letters and punctuation correctly.
- Join sentences together using or, and, but, when, if, that, because
- Use expanded noun phrases
- Use adjectives to describe
- Use apostrophes for contractions and possession
- Think about how you start each sentence.

Session 5- Edit your story. Read your story back. Do your sentences make sense? Have you included the targets above? Is your spelling correct? Can you improve any of your sentences?

Phonics

Mrs Goodyear would like you to keep working hard on your phonics too. Below is a link to Ruth Miskin Training where they will be doing live video lessons each day at 10.30 (set 3 speed sounds). If you are unable to watch it live, the videos are available for 24 hours after.

Reading

Session 1- Session 1- Predict what might happen based on what you have read- Have a go at the Blast Off questions using Predicting Pip's tips to help you.

Session 2- I am looking forward to hearing about all the books you have read while we have not been at school. Therefore, I would like you to use this session to read a book of your choice. Make a comfy area to sit and maybe read to a family member or a teddy bear/toy of your choice. You can always tell me on Google Classroom what book you have chosen and what your favourite part of the story is.

Summer 2 Week 8

For the final few days of term, I would like you to let your imagination go wild and imagine you are stranded on a desert island! You will find the breakdown of the lessons in the English section for year 3. I look forward to reading about your desert island.

Reminder about other useful websites:

Please remember to keep going on to the websites we have for you including Teach Your Monsters to Read, Karate Cats and a new one, Small Town Superheroes.

If you need any help at all you can contact me through Google Classroom on the PE account or comment on the work. I can't wait to see all the excellent work you have done. This will be the last letter I send you so I just want to say have a fantastic summer, keep safe and I look forward to seeing you back in school in September.

Lots of love

Miss McGowan ☺
