

Hello all

Hope you are all well, and managing to enjoy the lovely weather when you venture out for your daily exercise.

This week's handwriting and phonics activities are in this folder, please upload them when completed, if you can, so I can give you feedback and check your progress.

Handwriting group

Remember all the things we have learnt and practiced and put them into your work.

Use lined paper if you are unable to print the sheets and either a pencil or pen (if you have a pen licence)

Phonics group

If you are unable to print the sheets, please complete the exercises on paper and upload your work, if you are able to, so I can check your progress.

Hopefully you have all been watching the Ruth Miskin set 2 and 3 speed sounds lessons (available daily on Youtube) keep it up they will really help you to stay on top of your phonics lessons.

Most of you have been continuing to use Teach Your Monster to read, please do carry on playing it, even if it's just for 10 minutes a day, those that haven't managed to play it since we have been off please do try.

If you need login details resent let me know.

Stay safe, stay healthy and keep up the amazing work

Miss you all

Mrs Goodyear
