Week 5 Session 1 English

Read Chapter 17 of Skellig. You have two options for this. You can use the YouTube video that is linked below, making sure that you are following along as the lady reads (if the link does not work the video is attached to this assignment):

<https://www.youtube.com/watch?v=QQNdwcOwSMc> (Chapter 17 1:35 - 6:30)

If you prefer, you can read the chapter yourself. This website: http://indbooks.in/mirror1/?page_id=43115 contains a copy of every chapter in the book. Remember, today you are reading chapter 17.

Once you have read the chapter, you have a reading task to complete. However, today's task is a little different. Instead of giving you comprehension questions, you have got the answers to some questions about the chapter. You need to look at the answers and write the questions that you think would go with them. **Don't forget to use the answer sheet to mark your work when you are finished before handing it in on Google Classroom.**
