

Session 4 – Design and Technology

Now that you have had your afternoon tea, it is important to think about how it went. This is evaluating the finished 'product'.

Answer the following questions; in full sentences:

1. What was the theme for your afternoon tea? Do you think it worked well for an afternoon tea?
2. What food did you serve? Would you change anything on your menu if you were to repeat this afternoon tea?
3. Did you manage to stick to your budget? Why/why not?
4. If you were to give your afternoon tea a rating out of five stars, what would you give it and why?
5. Ask one of your guests to give you feedback on the afternoon tea. What did they enjoy the most? Is there anything they think could be improved on?
