## Teacher Example

### The City of Silence

I took a trip to the city of silence where the streets were soundless and no one could utter a word. Cars passed by me without a sound and songless birds flew overhead. My feet didn't even make a sound on the pavement when I walked: it sounded as if everything was made of cotton wool or had the volume turned down to zero. I tried to talk to the people but I couldn't even manage a squeak. An evil lord ruled over the city and had cast a spell on the people, making it impossible for them to talk. Who could save them from this terrible fate? And who could save me?
