

English - Summer 2 Week 2 - Home Learning

Session 3

In today's session, you will be reading a text called 'The Hook'. Your task will be to gather information from the text, as well as the Hound of the Baskervilles and the Woman in White, to help create a 'spooky' mood board.

How to share your work:

- Draw your mood board onto a piece of paper and take a picture of your work.
- Create a mood board using a piece of computer software but please draw your own images (do not copy and paste from the internet).

Once you've completed the work, submit your work to Google Classroom following this set of instructions:

1. Go to classroom.google.com
2. Click the class - Classwork - the assignment.
3. To attach an item, click 'Add or create' and select 'Google Drive', 'Link' or 'File' depending on what type of file you have created.
4. The status of your work will change to 'Turned in'.

The Hook by Roger Hurn

John was tired to his bones. He was on a walking holiday and he had tramped for miles over the bleak and empty moors. His feet were sore and his legs felt as heavy as lead. His rucksack straps cut into his shoulders and his stomach rumbled with hunger. Then, to make matters worse, it started to rain. A thin cold rain that soaked through his clothes and chilled him. He needed to find a place to rest for the night. In his mind he had a vision of a welcoming country inn offering food, a hot bath and a soft, comfortable bed with clean sheets and a thick eiderdown. He looked about hopefully but the night had fallen and swirled around him like a thick cloak of darkness. He could barely see his hand in front of his face.

Spooky Mood Board

Task: What makes something spooky? Thinking about everything that people might see as being 'spooky', create a mood board full of pictures and words/phrases which incite the feeling of fear.

Help: Take a look at the example below of a mood board. In this example, there are words and phrases taken from the texts that you have read this week. In addition to that, there are images which people might find scary or spooky. To create this, I used a piece of A4 paper (landscape) and filled as much space as I could with images, words and phrases. If you want, you could colour it in afterwards.
