

SPORTS PREMIUM GRANT 2016-2017

The Government is continuing their provision of additional funding of £150 million per annum to provide new, substantial primary school sport funding in order to improve the provision of physical education and sport in primary schools. This funding is being jointly provided by the Departments for Education, Health and Culture, Media and Sport, and will see money going directly to schools to be spent on improving the quality of sport and PE for all their children. All state-maintained schools, academies, middle schools, special schools and pupil referral units which have primary aged pupils will receive the funding.

The funding amount schools receive is based upon the number of children of primary age the school has. The sport premium is to be used to Increase the quality & breadth of PE & Sport provision, and increasing participation in PE & Sport. All schools with 17 or more primary-aged pupils will receive a lump sum of £8000 plus a premium of £5 per pupil.

At Wooden Hill Primary and Nursery School, we strive to promote healthy and active lifestyles and aim to provide sporting opportunities for all our pupils. We have funded a specialist PE teacher partly from our main school budget for the past eight years and will be using the Sports Premium Grant to supplement this.
