

# Lunchtime Playground Rules

You must do what the adult on duty tells you.

Zone A (small playground) is a supervised area for all children, the equipment must stay in that area only.

All large balls can only be used in Zone B (left hand side of the Astroturf). There is a daily rota for different year groups.

Zone C (right hand side of the Astroturf) is a supervised area, the equipment must stay in that area only.

When chalk is available draw pictures only, no words. Draw only on the playground not the walls.

All equipment must be put away by 1:00pm when the bell is rung to bring in Willow Team and Reception.

Make sure that all balls and equipment are put away carefully and not kicked.

Once outside you must not re-enter the building without adult permission.

The only toilets to be used are by the back double doors.

The sheds and areas behind and between them are out of bounds.

When the whistle first blows you must stand still. On the second whistle you WALK back into school.

You must not bring your own balls to school or take the school's balls home.
