

# Geography

## Spice of Life—India

In this unit, children will use atlases and globes to discover the world, including the seven continents and five oceans, the countries, capital cities and surrounding seas of the UK and the equator and poles. Children will develop fieldwork and map skills, creating maps of the school and local area. Children will learn the geographical human and physical features of Chembakolli in India and compare them to the geographical features of their own local area.

**Substantive Knowledge:** Locational Knowledge, Place Knowledge, Geography Skills , Physical Geography and Human Geography

**Concepts:** Place, Space , Scale and Cultural Awareness
