

# Maths Together Sessions

Are you interested in finding out more about how your child is taught maths in school?

Come and spend a morning with your child in class and they will show you what they have learned so far this year.

This will be a fun, hands-on session which we hope will give you a valuable insight into how your child is taught maths calculations.

Tuesday 13th November	Year 3 and Year 4
Tuesday 27th November	Year 5 and Year 6
Wednesday 5th December	Reception
Thursday 17th January	Year 1 and Year 2

All sessions will run from 9am-10am in your child's class.

Please let the office know if you plan to attend either in person or via email so that we know how many parents to expect.
