Dear Parents / Carers

Parent Survey – Outcomes

Thank you for taking the time to complete our parent survey and thank you for your overwhelming support and positive comments. It was lovely to hear the wonderful things that we do at Wooden Hill School so that we can ensure that we continue to build on these strengths but it was also helpful to find out what we can do better.

The outcomes of the survey have been analysed by the senior leadership team and the Governing Board and we will endeavour to address the common themes and ideas of things which we can improve over the coming months.

Thank you once again for your continued support of the school.

Yours sincerely
