19 June 2019

Dear Parent/Carer,

**Wooden Hill Primary & Nursery School Sports Day 2019**

Sports Day is being held on **Wednesday 26<sup>th</sup> June**. The events start at **9.15am** and are due to finish by **12pm** when the children will go back into school for their normal lunchtime followed by afternoon school. The events will be in two parts: we will start with the children in mixed age groups (with their siblings) where they will carry out a carousel of 8 activities (plus 2 rest stations) designed to show all the skills they have learnt in PE lessons this year. The second part of the morning will be in the form of relay races where every child in the school will take part in a team relay race within houses in their year group.

This year for sports day, parents will be allowed to follow their child's group around the Astro during the carousel. However, during the relay races please stay on the tarmac to allow them to run as smoothly as possible. Please be considerate and encouraging to all children. A few guidelines we would also like you to follow are below:

- No buggies or wheels of any kind (bikes/trikes/scooters) on the Astro. We will provide an area for these to be kept.
- Nothing is to be given to the children throughout the morning, they need to come to school fully prepared for the event.
- Please ensure you are prepared for the weather on the day. There is a lack of shade/ shelter at the school so please ensure you bring your own as we are unable to provide this. We will ensure your child has access to this at the rest stations.

Whilst Sports Day is a fun event, safeguarding of pupils is of paramount importance to us. As it is a school event, the children remain the responsibility of the school staff. Please do not ask your child to go to you or approach the groups; this includes providing your child with missing items. We politely ask that you watch and cheer on your child as an audience member. As with all school events and performances, we would encourage you to take lots of pictures and videos of your child but ask that you do not post these on social media or social networking sites.

Please make sure your child is prepared to spend the morning outside. Water bottles, hats and sun cream are advised. We ask that, if possible, all children will **wear a T shirt which is the colour of the house they are in**. The children do not have to change into their uniform for the afternoon. Your child has been told what house and group they are in and will be reminded nearer to the event.
