Mrs Joanna Lagares

19th September 2019

Dear Parents/Carers,

Show and Tell

In Year One, we encourage children to share any important news with their class. We love hearing about things that are meaningful to the children, and would like to provide each child with a weekly opportunity to share any news. At the end of the day we will listen as a class to any news each colour group has to share. As you know, our colour groups are completely random.

Speaking and listening is a very important skill for child development, and we know the children will love having time to hear all about their peer's news. It is also a chance for the teachers to hear about the things that excite the children, and their interests out of school.

We ask that the children only bring in things that are meaningful to them, and that they are able to talk to the class about. We would love to see things like photos, souvenirs, and any activities completed at home. We please ask that no toys or electronics are brought into school. Of course, it is completely ok for a child to choose not to share any news.

Below is a table of the day in which each colour group will have the opportunity to share:

Monday	Tuesday	Thursday	Friday
Red group	Yellow group	Green group	Blue group

This will start from next week.

As always, if you have any questions please don't hesitate to ask!

Thank you for your continued support.

Mrs Kelly
