Headteacher

Mrs Joanna Lagares

15th January 2020

Dear Parent/Carer

On Wednesday, 5th February 2020, we will be having a '**dinosaur day**' in Year One for children to take part in fun and practical activities to further their learning in this topic. Activities will include fossil making, hunting for fossils, dinosaur and bone baking, dinosaur themed art and crafts and lots of dinosaur stories.

To help the children to get into role, we would like them to come in on this day dressed up as dinosaurs or explorers. Please don't go out and buy any new outfits. Even just a pair of binoculars and a hat will help them get into role.

To help us provide the ingredients for baking and resources for various crafts we are asking for a donation of 50p per child. We hope that you will agree that this small contribution will help the children have a memorable day. Please could all contributions be paid to the class teacher by Friday, 24th January 2020, allowing us enough time to purchase what we need. If you have any dinosaur equipment/resources at home that you feel would benefit the children on this day, please send them in.

If you have any questions or queries, please do not hesitate to ask one of the team.

Many thanks for your continued support.

The Year One team
