

Year 2 Homework

14.02.20

We would love to hear about all the amazing things you get up to in half term with your loved ones! This week we have completed a diary entry from the perspective of Tim Peake in Space- but now it is your turn!

Please could you write a diary entry (in the first person) about one of the days in half term. Please do not worry if you haven't done anything adventurous, we just hope you have a good rest and some lovely time with family, and would like to hear all about it, PJ days and all!

Please try and include some of the following grammatical features;

- . A simile . Powerful adjectives . An apostrophe
- . An expanded noun phrase . A question . An exclamation mark

We would like this homework to come back to school, and the children will have an opportunity to read their diary entry to their peers on Monday 24th February. Thank you for your continued support!
