

Year 2 - Half Term Home Learning

Here are the four operation methods that we teach your child throughout the year. It would be such a help if you used these to help reinforce this with your child at home. We are also sending home your child's past papers, you can use these methods to help them correct any mistakes too!

Addition

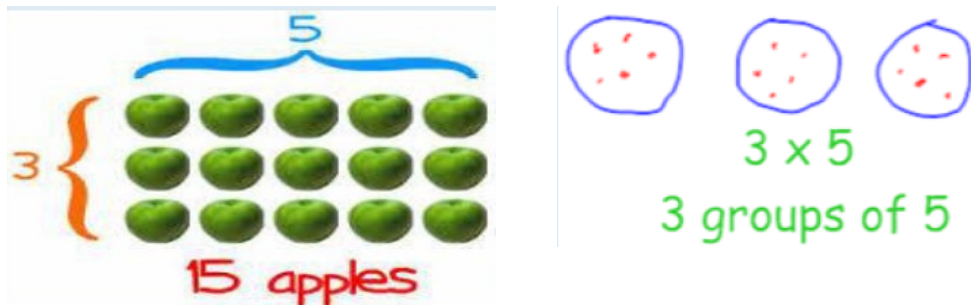

Subtraction

Multiplication

All children need to be confident in their 2, 3, 5 and 10 times tables through chanting and quick recall.

Division
