Dear Parents and Carers,

Chaffinch Class

We are thrilled to let you know that we have appointed a new teacher to join the teaching team at Wooden Hill School. From January, Miss Rees will be joining Miss McGowan as the other class teacher in Chaffinch Class. This will free up Miss McGowan to teach some of the PE to other classes in the school which will enable class teachers to work with small groups of children in their class; helping them catch up after the interruption to schooling in the summer due to COVID. At other times Miss McGowan will also be in class and your child will benefit from having both teachers at the same time. They will have equal responsibility for the class.

Ahead of January, Miss Rees will be working in the school for at least the next three weeks. If she isn't needed to cover teacher absences in this time, she will be spending the mornings in Chaffinch class getting to know the children and the routines of the school. We have our spring term parents' consultations in the second week in January, so you will be able to meet her properly then when the two teachers conduct the parents' consultations together.

Yours sincerely,
