15 March 2021

Dear Parent/Carer,

Year 6 Residential Trip

As you know, it has been confirmed our residential trip can go ahead as long as the Government's road map is met on the dates they have given (Step 3 – no earlier than 17th May will allow us to go). Therefore, I would like to put in place a meeting to remind everyone of the residential and discuss further information.

This meeting will be going through all the information you have already been given and any new information received from the company. However, I will be doing another meeting nearer the time to outline risk assessments and how the company plan on meeting the government guidelines. They are currently waiting for an update from the government regarding the requirements of their re-opening so they are unable to share this until nearer the time.

The meeting will take place over Zoom on **Monday 22nd March at 5pm** and will be recorded so it can be shared on the website. Please find the link and meeting ID below. If you are unable to attend, please watch this back. If you are able to, I will answer any questions you have as well. As stated above, I will not be in a position to discuss the information regarding the risk assessment and requirements to meet government guidelines. As soon as I am able to, I will get this information to you.

There will be a final meeting before our departure but felt it would good to do a recap meeting as it has been a long time since we first met about the residential.

Many thanks,

A handwritten signature in black ink that reads "LEMCGowan".

Miss McGowan
