Dear Parents and Carers,

RE: Year 1 home learning and apps

We would like to let you know about some new online learning tools that we now have access to. You may have noticed that on Spelling Shed there is now something called Phonics Shed as well. We have set up some challenges for the children in Year 1 on here. These are fun games which we have played in school and the children have really enjoyed them. Click on the icon and have fun at home too!

Another really useful tool we have access to is a free app provided by White Rose Maths. It is called 1-Minute Maths and is available from the app store. It is a series of one-minute speed challenges which would really help your child with their fluency.

Please continue to read with your child at home. This really is the most important thing you can do to support them. We have a number of children who have not read at all last half term. This has a really significant impact on their learning. We encourage you all to read with your child as often as you can.

It would really benefit your child if you could also make sure that you log on each week to Google Classroom to carry out the activity set.

Please do talk to your child's class teacher if you have any questions about how to support your child's learning at home.

Thank you for your continued support.

Yours sincerely

A handwritten signature in blue ink, appearing to read "Jane Critchlow".

Jane Critchlow
