

27th January 2026

Dear Parents and Carers,

Re: MTC Meeting / Year 4 Ukelele Concert

Since September, the children of Year 4 have been taught the ukulele by Mr Clarke. We hope this has been a hugely rewarding and enjoyable experience for the children and in celebration of their efforts over the last three half terms, we would like to invite you to an ensemble performance in order for them to share with you some of the songs that they have been learning.

The concert will take place in the main hall on Monday, 9th February 2026 at 9:30am and will last for approximately 30 minutes. If your child has a ukulele at home, please could they bring it to school next week to ensure that there are enough instruments for all children to participate as at present we are a few short.

At 9am, before the concert starts, we would like to take the opportunity to give an overview of the Multiplication Times Table Check that the children will be taking in June, as well as highlight online resources that will support them at home. This is a mandatory assessment to determine whether pupils can recall their times tables fluently, which is essential for future success in mathematics.

If you have any further questions, please do not hesitate to ask.

Many thanks

Kind Regards

The Year 4 Team

Mr Ian Garner, Headteacher
