

Year 1  
Autumn 1

# Science

## Animals including Humans

In this unit, the children will:

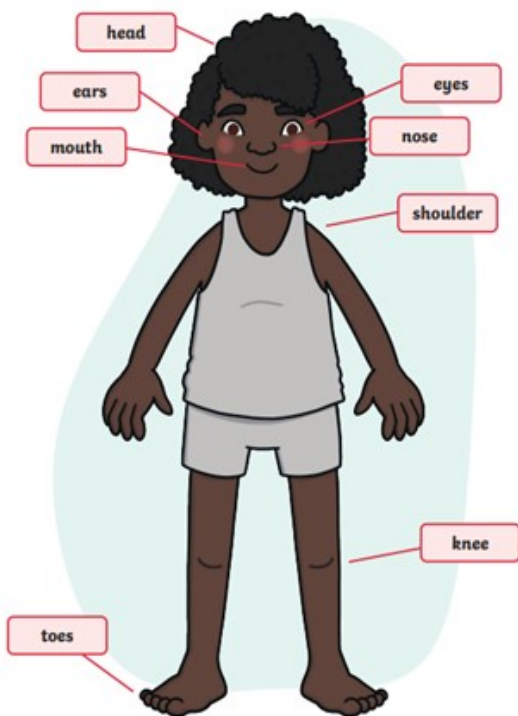

- Learn to name different parts of the body.
- Locate different parts of the body and explore how we use them.
- Name the 5 senses.

### Key learning

- The children will learn to locate, name, label and draw parts of the human body. They should know the main parts but we will focus on learning ankle, wrist, elbow.
- The children will be able to locate the 5 senses and use their sense to explore their surrounding during a scavenger hunt.

### Key Vocabulary

Leg, foot, ankle, knee, toes, arm, knuckles, hand, fingers, elbow, wrist, head, face, eyes, mouth, nose, ears, chin, cheeks, neck, shoulder, chest, back, body, senses.

### What came before:

Reception - Ourselves
