

HEADTEACHER UPDATE

Dear Parents / Carers,

Welcome back! I hope you have all had a great half term and the children are well rested to start this half term well- its now your turn for a break!

It was great to see so many of you at Parents evening this week – I hope you can see from the work in the children's books, the displays in the classrooms and in the corridors the children are enjoying some great new topics and are working really hard this year, we are proud of their achievements so far, this academic year.

We are slowly revamping the website and adding more to it. Head over to the [Class pages](#) (our work sections) to see more of what the children have been up to.

Have a great weekend!

Ian Garner, Headteacher

Year 6

We have started the year with bang! Last half term year 6's dived deep in to their Titanic topic and ended the term on a high with their residential. During their topic lessons the children investigated data and artefacts to learn about the experiences of the passengers. In art, we looked at the Titanic's décor and tried to replicate designs using lino printing, inspired by William Morris. Please have a look at our year 6 board, the next you are in!

This term, we will kick off our World War 2 topic with a trip to the Museum of English Rural Life on Wednesday 15th November. We will be drawing inspiration of their visit to write suspenseful narratives, heart-felt letters and moving poems.

Academy update

Many thanks to those who have already asked questions regarding our proposal to become an Academy. They are all really appropriate questions to be asking. At this stage the questions raised will be used to complete our shortlisting process and all the questions will be answered in full as part of our due diligence process before a final decision is made.

You can contribute your thoughts and questions here

Weekly Attendance

Whole school attendance:	96%
Top class for attendance:	Mole

Fantastic attendance from Mole last week with 100% attendance – well done! Our whole school attendance is slightly up on the previous week's figure.

Medical Appointments

For repeated appointments, you will need to provide medical evidence. If this is not provided, it will be marked as unauthorised. Thank you.

School Photographs

Don't forget school photographs are being taken next Tuesday.
