Headteacher

Mr Ian Garner

6<sup>th</sup> December 2023

Dear Parents/Carers,

**RE: Sandwich Making**

This half term our topic has been 'Healthy Bodies' and to fit in with this, we have planned to make sandwiches as part of our DT unit.

The children have discussed healthy choices and will be learning the skills needed to keep them and others safe while preparing food. They will design their own sandwiches, choosing from multiple options and they will be encouraged to try new things as part of the planning process.

We are aware of allergies logged on Medical Tracker but please speak to your child's teacher if you are concerned about them coming in contact with certain foods or have any questions at all by Tuesday, 12<sup>th</sup> December 2023.

If you have the opportunity to make sandwiches together at home, this will be beneficial and will help start conversations about our learning at school too. You could talk about the different types of food (carbohydrates, proteins etc) and your favourite sandwich fillings. They could practice spreading and cutting under supervision, to help with these skills when we come to making them in school.

As an aside, we have been learning about Florence Nightingale and nursing in our English and history lessons. If you, or another family member, are/have been a nurse or other medical professional and could spare an hour to come in and talk to the children, we would be very grateful for your insight. Please speak to your child's teacher or send an email to [Year2@woodenhillprimary.co.uk](mailto:Year2@woodenhillprimary.co.uk) to organise.

Yours sincerely,

Year 2 Team
