Dear Parent and Carer,

At Wooden Hill School, we are always looking for ways to improve engagement in reading. With this in mind, we would like to trail a new reading initiative in Key Stage 1 in the Summer Term. For every 15 reads at home, your child will receive a certificate. When they receive 5 certificates, they will receive a House Point. We do understand that reading at home is hard sometimes but reading is vital to support the children in their learning.

Our wonderful library is now up and running and the children are enjoying using it during their lunch time. However, we are not yet able to send books home. We would therefore like to start using our book box books from the classroom. Children will start taking a book home from the box every Friday to enjoy for a week. Our aim is, as parents, you will read these before bed or during quiet times and in turn, your child can read their favourite phrases with you. The power of reading is immense and we want to make sure every child has their best possible start in supporting our 'READY' vision. The more children are exposed to reading, the stronger their vocabulary becomes.

Let's get children to love reading together!

Many thanks

Mrs Steel

Key Stage 1 Phase leader
