

HEADTEACHER UPDATE

Dear Parents / Carers,

Welcome back after the Easter break. I do hope you and the children had a restful break and they are ready to start the new term with fresh enthusiasm!

The summer term is always a busy one, hopefully the weather improves, so all our planned events such as sports days (date will be confirmed soon), trips, Year 6 BBQ etc can all go ahead without interruption!

One small notice can Reception parents please ensure that siblings remain with you when collecting at the end of the day. Please don't allow them to play with the resources or in the play houses. Many thanks for your support with this.

Mr Garner

Year 4

Year 4 have had an excellent first week back and are already keen to learn all about the 'Groovy Greeks.'

We wanted to share some of our pictures with you from last term as year 4 have been on an enthusiastic learning adventure. We have learnt all about the Marvellous Mayans and Planet Protectors. The children have worked so hard and should be incredibly proud of themselves. It was wonderful to end the term with a school trip to Marwell Zoo where behaviour was fantastic and the children showed off their 'Ready' values.

Esafety tip of the week YouTube:

What's the problem?

- Videos that look like they're child-friendly can include violent or disturbing content, and it's difficult for YouTube to catch all of these videos before children see them
- Inappropriate videos may be suggested videos, or appear in search results
- Adults may use YouTube to contact children and 'groom' them into sharing explicit pictures or videos of themselves
- Children might see videos with extremist content
- Children can share personal information, e.g. the street they live on or their school, which could put them in danger
