

HEADTEACHER UPDATE

Dear Parents / Carers,
End of week 2 already, just where does the time go.
Congratulations to everyone who took part in the London Marathon mini mile event last week. Looks like you had a great time!
I had the pleasure of accompanying Year 2 at their Multi skills festival at Great Hollands Recreation ground on Thursday. They were a real credit to the school, showing great team work and respect to each other and the leaders of the event.
Well done!

Mr Garner

Year 5

Last half-term, Year Five were learning all about World War One. They produced some fantastic writing including letters, speeches and descriptions which demonstrated both their history knowledge and writing skills. As part of their topic, they visited 'The Trench Experience' at Garth Hill College where they got to explore the trenches while finding out more about what the soldier's lives were like. They also got to see and feel what their uniform would have been like.

PSHE

This half-term's puzzle is titled 'Relationships'. In this puzzle, the children will be learning about different types of healthy family and friend relationships. They will explore how to form and maintain these relationships as well as what to do when relationships do not feel good. In Key Stage Two, this will include age-appropriate discussion around bereavement and online safety.

If you would like to view materials relating to this puzzle, please use the email Year5@woodenhillprimary.co.uk to request an access code. Please ensure you include your child's name and class with your request.

This year's Colour Run will be held on Friday 24th May at Great Hollands Recreation Ground. Please sign up via www.schoolgateway.com

Don't forget to purchase your Legoland tickets for the INSET day on Monday 3rd June. Tickets are only £20 each and you can purchase as many as you like. £5 from each ticket sold will go to the school fundraising pot! Booking closes 5th May!

Next Friday Year 6 will be hosting a cake sale 😊

Weekly Attendance

Whole school attendance:	95%
Top class for attendance:	98%

Fantastic attendance from Kite last week with 98% attendance – well done! Our whole school attendance is the same as the previous week's figure.

School Lunches

Thank you all for your lovely feedback around our new school menus. We are always reviewing our meal choices to meet our children's requests. Due to the constant increase in food costs, we will be increasing our lunch prices by 10p as of 7th May. This amounts to an average of £2 extra per month. Thank you for your understanding and your continued support.
