

Year 1
Summer 1

Topic

Roaming through the Rainforest

In this unit, the children will:

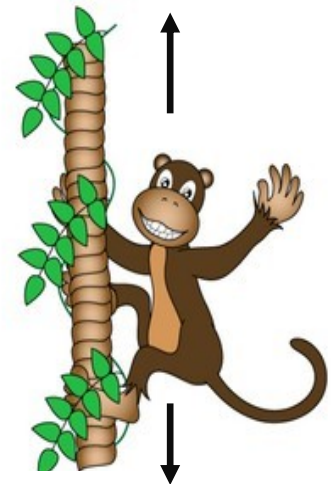

- In Geography, we will learn about the Amazon rainforest and compare it's human and physical features.
- In DT, we will be making rainforest sliders with moving animals.

Key facts

- In Geography, we will recap our learning about human and physical features and look at the different parts of the Amazon rainforest and where these would be categorized.
- The children will look at the different animals that live in the rainforest and sort different animals into exotic or domestic.
- We will also be looking at the weather in geography, and comparing the weather in the UK and the rainforest.
- In DT, the children will be looking at different techniques to collage a rainforest backdrop. They will use these techniques to create a tree and then attach a
