Dear Parents/Carers,

Governors and school leaders have been carefully considering the future of Wooden Hill Primary and Nursery School in Bracknell for some time. They have concluded that it would be in the best interests of the pupils, parents, staff, and wider community for it to take advantage of the closer collaboration and stronger support it would get by being part of a multi-academy trust and believe that GLT can provide the support that the school needs.

The Greenshaw Learning Trust is a successful multi-academy trust of primary and secondary schools and is well-established locally, being responsible for Sandy Lane Primary School, Crown Wood Primary School, Wildmoor Heath School and Brakenhale School in Berkshire.

The Trust has a strong track record of school improvement and has similar values to Wooden Hill. The Trust understands the community that our school serves and the strengths and needs of our pupils, and has the skills and experience that will help us to continue to provide the best start in life for all of their pupils.

Joining the Greenshaw Learning Trust will ensure that we benefit from the quality support services and efficiencies gained by being part of a larger multi-academy trust.

Subject to the necessary agreements being reached between the school, the Greenshaw Learning Trust, the Department for Education, and Bracknell Forest Council, it is expected that Wooden Hill Primary and Nursery School should join the Greenshaw Learning Trust in the Spring term.

Please read about the proposal in the leaflet attached, or go to our website:
