

Year: 5

	Autumn 1	Autumn 2	Spring 1	Spring 2	Summer 1	Summer 2
Theme	What did the Romans do for us?	Why did people come to our island? Anglo Saxons and vikings	What's it made from?	What is happening?	Where do we fit in the universe?	
Questions	What did the Romans do for us? How did the Romans invade Britain? What made it challenging for them?	How did the land use and settlements change during this period?	How have scientists discovered new materials? How do materials differ? How can materials be tested to find the best one for the job?	What are the differences between the life cycles of plants, amphibians, insects, birds and mammals? What changes occur during puberty?	How does planet Earth fit into the solar system? What are the differences between Earth and other planets?	Where do we fit in the UK?
Books/other texts	RUIN video Holes warning tale newspaper report - discovery of the watch	Beowulf Instructions	Secret Garden explanation- why to choose their material for their statue Recount South Hill Park poetry	The Midnight Fox persuasive- not to kill the fox	Northern Lights non-chronological report about space	Skellig (with WING video as a helping others story) balanced argument- for and against school diary entries
Project work	If you were a Roman where would you invade? What would your battle plan be?	Travel brochure for ancient Britain.	Designing a garden with justification for materials.	Design an animal and a reasonable life cycle. Adaptation, making animal, fact file.	Creating something that represents them to their new teacher.	
Trip/additional activities	Reading Museum	With Y6?	Visit to South Hill Park		Winchester science centre for planetarium/visiting one from the Look Out	Local trip

Subject day/s		Stone Age to Iron Age food day- exploring the changes in food throughout the day?	Crime solving day?
