Dear Parents / Carers,

**Fun(draising) Day**

I would like to thank everyone for making our Fund(raising) Day such a special event last week. I was truly touched by the generosity of the whole community and the atmosphere during the whole event was amazing.

First of all, I would like to thank the staff and children, who worked so hard during Enterprise Week; designing, making and learning about the product they were making and selling and how to make a profit. The kind donations which the children brought in on non-uniform days meant that the cost of making the wonderful items the children's stalls had, were minimal for the school. Thank you for all of your donations of items and coins.

On the day itself, many staff and parent volunteers gave their time freely to assist with the running of the school stalls. We are incredibly grateful to everyone who helped man the stalls and gave their time to support us.

I had hoped to let you know how much money was raised earlier this week. What I hadn't anticipated was how long it would take to count all the money raised! It has taken 3 of us over 3 days to count the money and 3 trips to the bank! However, I can now confirm how much each class made and how much each of the school runs stalls made.

The class which raised the most money on Fun(draising) Day was Chaffinch Class with a whopping £211.01. As the winning class, they will be rewarded for their superb fundraising efforts in the next few weeks.

Our outside stall holders raised us a total of **£230**.

I would also like to thank all of the individuals and small business who gave their time for free to support our event:

- ❖ Photographs – Lisa Peel who captured the entire event through beautiful, professional photography and has kindly donated the images to the school
- ❖ Chongboi – the brains behind the garden project. Chongboi, and a team of helpers, spent considerable time preparing the garden in advance of Fun(draising) Day and engaging sponsorship for the project
- ❖ Matt Impey and Emily Pheney for capturing the event and launch of the Garden Project through beautiful photographs and donating the images to the school
- ❖ Adam – PA system

- ❖ Clare Cooper for making the stunning cake for the 'guess the weight' competition

The **GRAND TOTAL RAISED ON FUN(DRAISING) DAY WAS £3680.96**

This is an incredible amount of money to raise in one day and an excellent start towards our new playframe for the playground.

Once again, a heartfelt thanks for all of your support and kind contributions for making our Fun(draising) day so successful. There are still other donations and contributions being made towards our fundraising and names and businesses will be added to our official list of thanks, which will be published shortly once we have a full and correct list.

Yours sincerely
